

CHAIN & DRIVES®

COMPLETE BEARINGS
& POWER TRANSMISSION

PRODUCT GUIDE

Power Transmission

We supply the complete range of power transmission products from market-leading suppliers including Rexnord, Centa, TransDrive, Falk, Senqcia, Reich, Tas Schafer, Bando, Intorq and more.

We offer on-site application analysis & design services and stock a full range of power transmission products ready for delivery, and breakdown situations.

Couplings

- > Chain Couplings
- > Cone Ring Coupling
- > Elastomeric Couplings
- > Fluid Couplings
- > Gear Couplings
- > Grid Coupling
- > HRC Coupling
- > Jaw Coupling
- > Rigid Couplings
- > Tyre Couplings

Shaft-Hub Connections

- > Locking Assemblies
- > Shaft Collars
- > Shrink Discs
- > Taper Lock Bushes

Belts

- > Agricultural V-Belts
- > Classical V-Belts
- > Poly Chain Belts
- > Synchronous Belts
- > Timing Belts

Chain

- > Agricultural Chains
- > Conveyor Chains
- > Corrosion Resistant Chains
- > Heavy Duty Drilling Chains
- > Leaf Chains
- > Roller Chains
- > Specialty Chains

Equipment Services, Motors & Drives

We supply the complete range of Gearbox, Motor & Drive products from market-leading suppliers including Yilmaz, Elecon, Sumitomo, Reggiana Riduttori, Intorq, Rexroth, WEG and more.

We offer on-site application analysis & design services and stock a full range of Gearbox, Motors, Brakes, VSD's & Drive products ready for delivery, and breakdown situations.

Gearboxes

- > AC Gearboxes & Motors
- > Agriculture & Auger Gearboxes
- > DC Gearboxes
- > Helical Gearboxes
- > High-Speed Gear Units
- > Hyponic Drives
- > Paramax Drive Assemblies
- > Planetary Gearboxes
- > Slewing Drive Gearboxes
- > Stainless Steel Gearboxes

Motors & Brakes

- > AC Motors
- > DC Motors
- > Hazardous Area Brakes
- > Motor Brakes
- > Stainless Steel Motors

Other Products

- > Lubrication & Other Chemicals
- > Pulleys
- > Sprockets
- > Torque Limiters

Bearings, Linear Motion & Seals

We supply the complete range of Bearing, Linear Motion & Sealing products from market-leading suppliers including Schaeffler (INA/FAG), Scheerer, ISB, Rexnord, PFI Bearings and more.

We offer on-site application analysis & design services and stock a full range of Bearing & Seal products ready for delivery, and breakdown situations.

Bearings

- > Backstops & Freewheels
- > Ball Bearings
- > Needle Bearings
- > Rod Ends
- > Roller Bearings
- > Slewing Bearings
- > Stainless Steel Bearings
- > Tapered Roller Bearings

Housings

- > Flanged Bearings Units
- > Housings & Units
- > Pillow Block Units
- > Plummer Blocks
- > Radial Insert Housing Units
- > Self-Aligning Bearing Units
- > Split Housing Units

Seals

- > Duo Cones
- > Oil Seals
- > O-Rings

Linear Systems

- > Ball Screws
- > Linear Rail System
- > Shafts & Shaft Support
- > Supports for Linear Bearings

Engineered Solutions

Design, Specialised Projects & Custom Builds

We supply a range of specialised products & services to suit a variety of requirements.

Our design team will assist you through concept design to construction drawings ensuring your product is manufactured to your specifications. Offering tailored services & special indent orders to suit your equipment needs.

We offer branding of our products, labeled with your part numbers to assist you and your customer's aftermarket supply requirements.

- > Sprockets
- > Conveyor Chain
- > Coupling Assemblies
- > Pulleys
- > Couplings
- > Conveyor Drives
- > Industrial Gearing
- > Gearbox & Drive Assemblies
- > Mixer Drives
- > Crusher Drives
- > Factory Automation
- > Solar Tracking Drive Assemblies
- > Chain Breakers
- > Chain Rivet Punches

Servicing

Our servicing and repairs are carried out by our service & maintenance division, Techquip, where we offer on-site quotations and assessments.

- > Genuine Parts
- > Locally Manufactured Parts for urgent breakdown situations
- > Repair for all Industrial Gearboxes, Fluid Couplings, Linear Actuators & Variable Speed Drives.
- > Reliable Mobile Service Team
- > Full Project Management including Design, Supply, Installation & Maintenance on all Power Transmissions.
- > On-site Servicing & Repairs for a Range of Equipment: Gearboxes, Motors, VSD Drives, Actuators, Fluid Couplings, Conveyor Rollers and General Fabrication & Maintenance.

SERVICING PROVIDED BY

TECHQUIP
DESIGN > INSTALLATION > SERVICE

When you purchase equipment and products from Chain & Drives you can be assured that you have entered a partnership offering continued support in to the future.

Automation	Agriculture	Concrete & Construction
Food & Beverage	Industrial	Marine
Mining & Heavy Industry	Oil & Gas	Recycling
Renewable Energy	Transportation	Wastewater Treatment
